

## T-Shirt Design Contest 2025!

MakerSphere wants to show off our creative community! We are asking you, our Artist Friends, to submit a t-shirt design that relates to your experience with MakerSphere. As our mission states:

*MakerSphere is dedicated to fostering creativity in our community by providing educational opportunities and workspace for all ages. We help people share their knowledge and build their creative skills in the arts, crafts and trades.*

We want you to show what YOU have loved and learned as a part of our Makers Community. Think about what you have loved to create, and what you look forward to making in the future! Clay, Stained Glass, Woodworking, Cooking; we want to see it ALL.

Once MakerSphere has determined our top designs, we will be turning back to YOU to vote for the final design, so stay tuned.

Finally, at this year's NQID parade, ALL Makersphere parade participants will be wearing the winning shirt design from this contest! We are so excited to show off the amazing talents at this wonderful town event.

**On the template provided, please draw your t-shirt design.**

- Designs must be done in one color (think black sharpie/line drawings)**
- No larger than 8"x8"**
- Must be your original art.**

**Deadline for Submission is April 18th**

**Limit 1 Entry per Artist**
