

Youth Woodworking Course for Grades 6 - 8

7-week afterschool program
Thursdays; Oct 23 - Dec 11
4:00 pm - 6:00 pm

Fee: \$285 incl all materials

Take the bus from school to the new
MakerSphere Wood Shop & Maker Space
1727 Guptil Road, Waterbury Center

Learn woodworking skills in this hands-on, fun and engaging course. Students will learn how to safely use tools as they build projects that they will be proud to take home. Makers will learn about the properties of materials, problem solving, and how to properly plan projects for successful outcomes. Discover the joy of working with wood and learning lasting skills that will keep you building! MakerSphere is pleased to welcome Dave Day, owner of D.A. Day Woodworks in Stowe as course instructor. Register early - spaces limited!
