Upcoming Adult Programs

Beginner Woodworking Skills

Saturday, October 17, 9:00 AM - 12:00 PM. Adults 18+, no experience required. Fee: $85 includes all materials/supplies. This workshop is designed to give beginners hands-on experience in the woodshop. Students will learn how to operate a number of the most commonly used machines safely. The project chosen for this class allows students to gain experience using the miter saw, table saw, drill press, and hand-held nailer. Students will build a bluebird box while gaining skills that can be used on endless future projects.

Beginner Woodworking Skills; Cutting Boards

October 22, 24 & 27. Adults: 18+, no experience required. Early Bird Seat: $175; after Oct 10: $195 Includes all materials/supplies. This is a hands-on beginner workshop in which the project allows students to gain skills using the miter saw, thickness planer, table saw, jointer, and router. By making either one large or two small cutting boards, students will learn how to take rough sawn lumber and turn it into an attractive finished cutting or serving board.

FREE River of Light Lantern Workshops are now open for registration!
